

February 9th, 2023

Dear Sibylla Kiddle Families,

We are excited to join Education Matters, Calgary's Trust for Public Education, to raise funds for literacy at Sibylla Kiddle School. Our goal is to raise \$2000 to further enhance our collection of books for our school's growing Learning Commons.

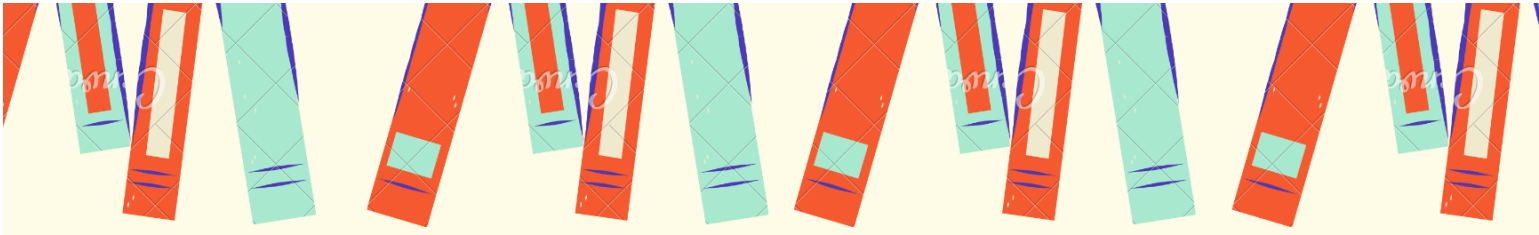

All funds donated through our Loonies for Literacy Campaign will help our school provide more literacy resources and opportunities for current and future students. Even better, for every dollar our school raises, a community sponsor will donate another dollar to a school in need! Together, we can help students across Calgary as they learn and grow in their own communities.

If you'd like to support Loonies for Literacy, donations can be made online at educationmatters.ca. You can also donate by texting EDMATTERS SKS to 30333; you can then choose to donate \$5 or \$10 (it will be included on your next cellphone bill).

Thank you for supporting public education at Sibylla Kiddle School and in Calgary, now and into the future!

Sincerely,

Brad Emery, Principal

Sibylla Kiddle School invites you to join our

LOONIES FOR LITERACY CAMPAIGN

Our goal is to raise \$2000 for books for our Learning Commons. Every dollar donated will be matched by a community sponsor for another school in need!

Donations can be made online at educationmatters.ca.
You can also donate by texting **EDMATTERS SKS** to **30333**;
you can then choose to donate \$5 or \$10.

Donations will be included on your next cellphone bill.
